this book systematically examines how learning to read occurs in diverse languages and in so doing explores how literacy is learned in a second language by learners who have achieved at least basic reading skills in their first language as a consequence of rapid globalization such learners are a large and growing segment of the school population worldwide and an increasing number of schools are challenged by learners from a wide variety of languages and with distinct prior literacy experiences to succeed academically these learners must develop

second language literacy skills yet little is known about the ways in which they learn to read in their first languages and even less about how the specific nature and level of their first language literacy affects second language reading development this volume provides detailed descriptions of five typologically diverse languages and their writing systems and offers comparisons of learning to read experiences in these languages specifically it addresses the requisite competencies in learning to read in each of the languages how language and writing system properties affect the way children learn to read and the extent and ways in which literacy learning experience in one language can play a role in subsequent reading development in another both common and distinct aspects of literacy learning experiences across languages are identified thus establishing a basis for determining which skills are available for transfer in second language reading development learning to read across languages is intended for researchers and advanced students in the areas of second language learning psycholinguistics literacy bilingualism and cross linguistic issues in language processing

around the world children embark on learning to read in their home language or writing system but does their specific language and how it is written make a difference to how they learn how is learning to read english similar to or different from learning in other languages is reading alphabetic writing a different challenge from reading syllabic or logographic writing learning to read across languages and writing systems examines these questions across seventeen languages representing the world's different major writing systems each chapter highlights the key features of a specific language exploring research on learning to read spell and comprehend it and on implications for education the editors introduction describes the global spread of reading and provides a theoretical framework including operating principles for learning to read the editors final chapter draws conclusions about cross linguistic universal trends and the challenges posed by specific languages and writing systems

if you've ever wanted to read hebrew from a siddur from the bible if you're a rabbinical student having bar bat mitzvah or simply for fun at the end of bechavruta in as little as 9 hours you will be able to read hebrew like a pro what others are saying dennis prager original fun and effective this is a superb way to learn to read hebrew rabbi david wolpe a clear lucid and immensely helpful guide to learning hebrew takes the reader by the hand and introduces the holy tongue in living color rabbi dr david ellenson an instant classic rabbi yakira has written a primer on hebrew that is both enchanting and colorful it is sure to capture the interest of students and magically introduce them to the hebrew language in learn to read hebrew in 18 steps you will master each step by completing 3 pages trace read and play by using bechavruta special color coded vowel's method you will read hebrew fluently and accurately having worked with more than a thousand students over her 25 years of successful teaching career rabbi yakira yedidia skillfully and creatively introducing hebrew the holy tongue in living color for those who do not speak hebrew reading hebrew with vowels is essential the problem is how can one read accurately when similar looking vowels have different sounds the answer is it is impossible make no mistake with bechavruta method students of all ages are being guided by colors ensuring they excel enjoy read accurately you might even adapt an israeli accent bechavruta book and method is turning black white images to color rabbi dr harrie cedar at last a really engaging fun and easy way for learning hebrew rabbi adam schaffer no more mystery always knowing how a word is supposed to sound simply by using colors it's a great tool that can help everyone learn to read hebrew rabbi dan gordon rabbi yakira's book is a game changer she has transformed learning hebrew vowels into a fun dynamic rainbow of simplicity

for many years the development of theories about the way children learn to read and write was dominated by studies of english speaking populations as we have learned more about the way that children learn to read and write other scripts whether they have less regularity in their grapheme phoneme correspondences or do not make use of alphabetic symbols at all it has become clear that many of the difficulties that confront children learning to read and write english specifically are less evident or even non-existent in other populations at the same time some aspects of learning to read and write are very similar across scripts the unique cross linguistic perspective offered in this book including chapters on japanese greek and the scandinavian languages as well as english shows how the processes of learning to read and spell are affected by the characteristics of the writing system that children are learning to

master

this book brings together information about the neurobiological genetic and behavioral bases of reading and reading disabilities research findings and intervention approaches by leaders in the field are presented the volume provides essential reading for a range of researchers clinicians and other professionals interested in reading and reading disability

learn to read hebrew in 4 weeks is a proven method that has taught thousands to read hebrew this book was designed after 15 years of teaching hebrew and is continually updated based on students feedback to ensure a successful and enjoyable learning process the book is broken down into 8 parts you can do 2 parts per week or advance at your own pace each part provides easy to follow content and explanations as well as opportunities for written practice which makes it a powerful self teaching tool for learning to read and pronounce any word in hebrew correctly each part contains many reading and matching exercises to test your new knowledge and progress links to external practice activities are available including memory games matching exercises bingo games etc throughout the book over 50 hebrew words are introduced in order to practice reading in more interesting and interactive methods each part builds on the previous parts making it easy to follow and progress after completing the book you will be able to read and pronounce any word in modern and biblical hebrew what are you waiting for buy the book and let's get started about the author orit safran kamara is a hebrew professor with more than 15 years of experience teaching hebrew to students around the world she has taught in virtually all settings from university classes sunday school classes group meetings and even 1 on 1 online sessions

have you ever wanted to learn a new language but were intimidated by the foreign script do you wish you could read hebrew but aren't sure how to get started are you interested in the hebrew language and the culture of israel if so then this course is for you other language courses show beginning students a table of the alphabet and then launch directly into dialogues and grammatical descriptions this is not the ideal way to teach a foreign alphabet and can leave the student feeling discouraged and may cause the student to just give up instead of that approach this course teaches each letter of the hebrew alphabet in a systematic way while providing enough practice along the way so that the student learns the entire alphabet without becoming discouraged with this system you will be able to read the hebrew alphabet in only 5 days or less in addition to the alphabet this course teaches more than 150 real modern hebrew words that were carefully selected to be of maximum benefit to beginning language students these are the words that you need right away scroll up and order a copy of learn to read modern hebrew in 5 days today and start to enjoy the language and culture of israel in a way that only reading the language makes possible

anyone interested in learning to read the hebrew bible in its original language will find within the pages of this book all the resources needed to begin this wonderful journey the book is laid out in four parts the first part teaches the hebrew alphabet through a series of lessons the second part teaches word and sentence structure of the hebrew language by breaking down each hebrew word in genesis chapter one verses one through five the hebrew text of genesis chapter one is provided for reading and comprehension practices in part three the fourth part of the book contains charts and dictionaries of prefixes suffixes words and roots of the hebrew language to assist the reader with vocabulary definitions and comprehension within a short amount of time the hebrew student will soon be reading the bible through the eyes of the author rather than the opinions of a translator

learn to read hebrew blessings prayers in 18 steps includes maariv aravim hashkivenu modeh ani yotzer or ahavah rabah shema veahavta vehaya vayomer mi chamochah kedushah torah blessings before and after haftarah blessings before and after ashrei aleinu shalom rav oseh shalom hallelu yah and more this book is designed for advanced students who have completed our yellow primer book learn to read hebrew in 18 steps if you've ever wanted to read hebrew from a siddur from the bible having bar bat mitzvah or simply for fun by using bechavruta special color coded vowels method you will read hebrew fluently and accurately for those who do not speak hebrew reading hebrew with vowels is essential the problem is

how can one read accurately when similar looking vowels have different sounds the answer is it is impossible make no mistake with bechavruta method students of all ages are being guided by colors ensuring they excel enjoy read accurately what others are saying dennis prager original fun and effective this is a superb way to learn to read hebrew rabbi david wolpe a clear lucid and immensely helpful guide to learning hebrew takes the reader by the hand and introduces the holy tongue in living color rabbi dr oren steinitz rabbi yakira has done it again learn to read hebrew blessings and prayers takes the revolutionary nikkud system introduced in book 1 and brings it to the next level highly recommended for learners of all ages
